GREAT STRIDES

CYSTIC FIBROSIS FOUNDATION

INSURE THE CURE

The Atlanta insurance community has once again come together to form Insure the Cure to support the Cystic Fibrosis Foundation. Insure the Cure was formed in 2011 in honor of Clay Snellings' daughter, Emily. Emily was born with cystic fibrosis, a life-threatening genetic disease that primarily affects the lungs and digestive system. Currently, there is no cure.

Since its inception in 2011, the insurance community has raised over \$800,000. The industry has banded together agencies, companies, brokers and re-insurers who on most days are fierce competitors, but have united to find a cure for Emily and the 30,000 others living with CF.

For 2016, Insure the Cure, has set a goal to recruit 45 teams for the Atlanta Great Strides Walk on May 21st on Georgia Tech's campus. As our key partners across the state of Georgia, we are asking once again for you to join us in the fight for a cure.

JOIN THE FIGHT

MAKE A DONATION

Support one of your colleagues who is participating in Great Strides by contacting vnix@cff.org.

BECOME A SPONSOR

Highlight your company as a corporate leader and gain positive exposure by affiliating with a winning team.

Contact Vicki Nix at vnix@cff.org for more information.

FORM A TEAM

Join the Insurance Alliance by registering your team for Great Strides Atlanta or join the IAG Great Strides team.

Registration opens on November 16th:
fight.cff.org/insurethecure2016

EMILY SNELLINGS, AGE 18

What is cystic fibrosis?

Cystic fibrosis is an inherited chronic disease that affects the lungs and digestive system of about 30,000 children and adults in the United States (70,000 worldwide). A defective gene and its protein product cause the body to produce unusually thick, sticky mucus that clogs the lungs. This leads to life-threatening lung infections, and obstructs the pancreas, preventing natural enzymes from helping the body break down and absorb food.

How does the CF Foundation help?

The mission of the Cystic Fibrosis Foundation is to cure cystic fibrosis and to provide all people with the disease the opportunity to lead full, productive lives by funding research and drug development, promoting individualized treatment, and ensuring access to high-quality, specialized care.

Who is involved?

YOU can make a difference!

Insure the Cure, Great Strides Atlanta 2015

Contact Vicki Nix at 404-325-6973 or by email at vnix@cff.org. She can assist you in making a donation, becoming an Insure the Cure sponsor and/or forming your own corporate team.
